

BPD-Association of Baccalaureate Social Work Program Directors Baccalaureate Education Assessment Project (BEAP)

Reorder - Reorder - Reorder - Reorder - Reorder - Reorder

BEAP Use Agreement Provisions

1. Any reporting of the results of the BEAP will give appropriate credit to the authors of the surveys/ instruments.
2. Raw data from the completed surveys will be provided to the authors to allow for development of the database and to insure further refinement of the BEAP.
3. Each BEAP survey must be used in its entirety. Users may attach additional questions or forms to the back or the front of the questionnaires as they deem appropriate, as long as the basic document is left whole. The questionnaire is not to be edited in any way. The additional questions must be tabulated by the program.
4. The program agrees to use only those scannable answer sheets provided by the research team.
5. The program agrees to remit the charges for the requested number of answer sheets. No materials or data analyses will be provided until the charges are paid in full. No credit cards or purchase orders accepted.
6. The program agrees to photocopy only enough Exit Surveys, and Alumni/ae Surveys to accompany the related scannable sheets indicated on this Use Agreement.

I (we) agree to the above conditions on use of the BEAP ©2009.
